Yes, we would like to participate to the European Service Value Awards 2016 in the following countries:

.....

We hereby register.

We will learn about the practical implementation of current scientific research results. We will experience a strategic Customer Value Analysis with stimuli relevant in practice by obtaining customer evaluations and management information. In addition, we have the option of receiving the award "Best Companies 2016".
(Fixed price per country € 4,800 net)

Quality Certificate "Best Companies 2016"

If we rank among the best companies in the countries we can use a award in the form of a quality label for the calendar year 2016 per country in our communication. *(The licence fee for this quality label – indicating the cooperation partner the University of St. Gallen – is € 4,800 net)*
